

CUSTOMER :		Customer Part NO.						
		Part Descripon						
Item	Specification							
NO. of conductors	N							
Pitch	P							
Total Pitch	PT							
Total Length	L							
Insulation Length	IL							
Margin Width	M							
Total Width	W							
Strip Length	S1							
Strip Length	S2							
Reinforeing tape length	B1							
Reinforeing tape length	B2							
Slanting	A							
Over lap	/							
Terminal thickness	t1							
Thickness insulation	t							
Conductor thickness	Ct							
Conductor width	Cw							
Supporting Tapc Color	Blue					Storage condition :Recommended		
PET(Supporting Tapc Color)	0.225mm					Temp:15° C~25° C Humidity:30~60RH%		
PET(Insulation)	0.043mm Printing	Drawing Not TO Scale Hidden Lines Not Shown	Discharge Date	Review Date	Drawing NO			
PET(Insulation)	0.043mm White		2021-05-19
